About the Historic Churches Trust: This was founded in 1956, and gives grants to churches and chapels of all Christian denominations of architectural or historic interest throughout Sussex for essential repairs and restoration. Over the years we have helped more than 470 churches.

The Sponsored Ride & Stride: Created in 1982 there are now 31 County Trusts raising £1.5 million annually. Our Trust raised over £55,000 in 2014 but with the introduction of online donating it is hoped this will increase significantly. The money raised will be shared equally between the Trust and the church or chapel nominated by each participant. In Sussex over 600 buildings will be taking part, and some of them providing refreshments**.**

Advice to riders and walkers

1. It is a condition of entry that the SHCT, save to the extent required by law, accepts no responsibility in respect of death, injury or damage caused by or to any participant during the sponsored event. All entrants under 16 must have their parents' consent.
2. Police advise all cyclists to ride in single file. If any group contains more than six riders, please leave a suitable gap between the groups of six in order not to inconvenience motorists. Please study the bicycling section of the Highway Code, and make sure your machine is roadworthy before setting out. Brakes and tyres are particularly important. If possible, wear bright clothing with a fluorescent band and safety helmets.
3. When you leave your bicycle, for whatever reason, please lock it for safety.
4. Any Horse riders must have their own personal Insurance.
