#### TRUSTEES' REPORT continued

#### FOR THE YEAR ENDED 31 DECEMBER 2015

#### STRUCTURE, GOVERNANCE AND MANAGEMENT

Governance document Trust Deed dated 11 August 1956 as amended by the Memorandum of

Amendment dated 6 June 2005.

Trustee recruitment A policy has been adopted for the recruitment and appointment of new

Trustees and for their induction and training.

Decision making Trustees alone approve the Report and Accounts and the investment

policy and strategy. All other decisions are made by the Executive Committee which includes Trustees as well as other expert and

specialist advisors.

Risks A review has taken place of the major risks to which the charity is

exposed and a policy put in place to minimise those risks.

# **OBJECTS AND ACTIVITIES**

Objectives The object of the charity is the preservation, repair, maintenance,

improvement, upkeep, beautification and reconstruction of churches (including a cathedral, abbey, minster or priory church), chapels or other buildings used for public worship in Sussex whether belonging to

or used by the Church of England or any other religious body.

Public Benefit The trustees have complied with their duty to have due regard to the

guidance on public benefit published by the Commission in exercising

their powers or duties.

Grants The charity meets its objectives entirely through giving grants to

individual churches. Applications for grants are considered at the three meetings of the Executive Committee. Grants are currently confined to

works of essential repairs to the fabric of places of worship, the emphasis being on maintaining the structure wind and weather proof. Priority is given to buildings over 100 years old and of particular

historical or architectural interest.

## ACHIEVEMENT AND PERFORMANCE

The Trust made fourteen grants to churches totalling sum of £94,500 compared with six (£31,800) in 2014. This level of grants was the result of a greater level of demand and a super-grant of £17,500 to All Saints, Icklesham, financed by the Spiller trust.

Net Income from Ride and Stride was marginally lower but investment income rose by 10%. Helped by a legacy of £2,000 and an exceptional donation of £2,000 a surplus of £7,496was achieved. The value of investments fell slightly but nonetheless out-performed the volatile market.

#### TRUSTEES' REPORT continued

#### FOR THE YEAR ENDED 31 DECEMBER 2015

#### FINANCIAL REVIEW

#### Reserves Policy

It is the policy of the charity to maintain sufficient cash funds to meet its anticipated expenditure on management and administration expenses and charitable grants. Reserves of at least the current total level, maintained in real terms, are necessary to ensure that the work of the Trust could continue even if there were a drop in the variable levels of income. The fluctuation in the value of the reserves over past years emphasises the need to have significant capital to maintain the current grant level.

## Principle Funding Sources and Expenditure

The principle funding still comes from Ride and Stride (net £24,237) and Investments (£50,827). These together with gift aid reclaims (approximately £5,000 pa) cover our grants each year and the governance costs (£ 3,312)

# **Investment Policy**

There are no restrictions to the charity's power to invest. The Trustees manage the investment portfolio with a policy of maintaining income while preserving the real value of endowed investments. A medium to low risk policy is adopted with investments split between fixed interest(property) and equities with no more than about 20% of the fund being invested through any one manager. All the managers used have formally adopted an acceptable ethical standard.

#### TRUSTEES' REPORT continued

#### FOR THE YEAR ENDED 31 DECEMBER 2015

#### **FUTURE PERIODS**

The Trust will continue to support Ride and Stride, encourage donations and legacies, and seek to increase the investment income. A steadily rising income stream will allow the Trust to maintain a responsible and practical level of grants that keep pace with inflation.

The Trustees can foresee ever increasing demands on parish income, particularly from a rising quota, and this, combined with the increasing costs of maintaining and repairing valuable historic buildings is likely to lead to constantly larger applications for financial support. The Trustees principle objective is to be able to meet these demands.

The Trustees believe that the financial surpluses achieved in recent years should enable the Trust to continue its current average level of grants (£75,000 pa) but it is unlikely that this level can normally be substantially raised. The Trust currently has £122,000 in the Bank. This will enable it to meet outstanding grant commitments (£61,000) and to fund future grants.

#### STATEMENT OF TRUSTEES' RESPONSIBILITIES

The trustees are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Law applicable to charities in England & Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the charity and of the incoming resources and application of resources of the charity for that year. In preparing these financial statements the trustees are required to:

- · select suitable accounting policies and then apply them consistently;
- · observe the methods and principles in the Charities SORP;
- · make judgements and estimates that are reasonable and prudent;
- · state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- · prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011 and the Charity (Accounts and Reports) Regulations 2008. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

This report was approved by the trustees on	2016
Signed on behalf of the Trustees:	
Christopher Whittick (Chairman)	

#### INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF

#### THE SUSSEX HISTORIC CHURCHES TRUST

I report on the financial statements of The Sussex Historical Churches Trust for the year ended 31 December 2015 set out on pages 2 to 10.

# Respective responsibilities of trustees and examiner

As the charity's trustees are responsible for the preparation of the accounts, you consider that the audit requirement of section 144(2) of the Charities Act 2011 (the 2011 Act ) and that an independent examination is needed.

It is my responsibility to:

- Examine the accounts under section 145 of the 2011 Act;
- Follow the procedures laid down in the General Directors given by the Charity Commission under section 145 (5) (b) of the Act; and
- State whether particular matters have come to my attention.

# Basis of independent examiner's statement

My examination was carried out in accordance with General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

#### **Independent examiner's statement**

In connection with my examination, no matter has come to my attention

- (i) which gives me reasonable cause to believe that in, any material respect the requirements:
  - to keep proper accounting in accordance with section 130 of the Act; and
  - to prepared accounts which accord with the accounting records and to comply with the accounting requirements of the 2011 Act have not been met; or
- (ii) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

# Notes forming part of the financial statements

# for the year ended 31 December 2015

#### 1. Accounting policies

#### (a) Accounting convention

The financial statements are prepared under the historical cost convention as modified by the inclusion of investments at market value and in accordance with the Statement of Recommended Practice 'Accounting and Reporting by Charities' (SORP 2005) issued March 2005, the Financial Reporting Standard for Smaller Entities(Effective April 2008) and the Charities Act 2011.

# (b) **Incoming resources**

All incoming resources are included in the statement of financial activities when the charity is entitled to the income and the amount can be quantified with reasonable accuracy. Investment income is accounted for in the period in which the charity is entitled to receipt.

## (c) Resources expended

Expenditure is included on an accruals basis as the liability is incurred. Expenditure included any VAT which can not be recovered and is reported as part of the expenditure to which it relates.

Grants payable are charged in the year when the offer is conveyed to the recipient.

#### (d) Fixed asset investments

Investments are included at closing mid-market value at the balance sheet date. Any gain or loss on revaluation is taken to the Statement of Financial Activities.

The Unrestricted Funds of the charity may be applied for any charitable purpose at the discretion of the trustees.

## 12. The Spiller Trust

Under the terms of the will of the late Brigadier John Spiller the Trust was left a sum of £ 500,000 which was to be placed in an independent Trust the Spiller Trust. This Trust will be administered by partners of Thomas Eggar and the resulting investment portfolio managed by Thesis Asset Management (owned by Thomas Eggar). The annual income will be available for distribution by SHCT on application to the Spiller Trust. It is intended that it will be used for a few substantial grants as was the case this year when a grant to £ 17,500 was made to All Saints, Icklesham Any income not used would be carried forward for use in future years and under particularly worthy circumstances application could be made for a grant out of capital.
